Code Readers Series

The Best Solution to Diagnose All 1996 and Newer OBD II/EOBD Compliant Vehicles!

The **Code Reader** provides you with easy and quick access to diagnostic trouble codes that is causing your vehicle's problem. It easily retrieves diagnostic trouble codes and code definitions on all **OBD II / EOBD** compliant vehicles sold worldwide since 1996. Though small in size, it is powerful enough to retrieve the same information as large expensive scanners.

The **Code Reader** supports all nine **OBD II** test modes on all **OBD II** compliant vehicles to enable technicians to accurately diagnose complex problems. This ergonomic scan tool, though sophisticated yet easy-to-use, makes your vehicle service experience much more pleasant!
