AIR BLOW / SUCTION KIT

Model No.: PT900K6

Features:

- Ideal for vehicle media installation shops.
- Designated to get in tight quarters.
- Comfortable composite gun body with vacuum / blow two-way function, light-weighted design, easy for operation.
- This system includes a 12" long flexible hose & an extension tube for clearing the dust at the corner.
- This system provides excellent function for different material cleaning as sand, chips, sawdust, stones & glasses chips.
- Three different tubes are included:
 - Flat tube: for small space of car engine cleaning.
 - Small-bore vacuum tube: for cleaning at any small space.
 - Brush: multi-angle brush attachment is ideal for vehicle interiors.
- Dust bag with two layers of cloth with durable quality. Zipper at bottom of bag for quick removal of debris.
- Built-in up hook at top of handle for convenient storage.
