AUTO REWIND AIR HOSE REEL

Regular Working Pressure : 20 BAR (300 PSI)

To Handle Single 3/8" or 1/2" I.D. Rubber Hose.

- Compact frame and narrow base for application with critical space requirement.
- Heavy-duty steel construction with corrosion resistant powder coating.
- L-shaped base with groove reinforcement ensures stable support.
- Four direction non-snap rollers reduce hose wear abrasion.
- Multi-position ratchet lock and easy tension adjustment.
- Full flow swivel prevents leakage.
- Guide arm adjustable for handling up to 9 positions permits wall, ceiling or floor mount.

Frame Material: Steel

Keep your workplace organized and safe. Spring-driven automatic rewind neatly coils hose when not in use. Hose can be used with air or water.
