

# PRODUCT INFORMATION

FOR YOUR INQUIRIES, PLEASE  
INDICATE MODEL NO., AND FOLLOWING  
CATALOGUE NUMBER

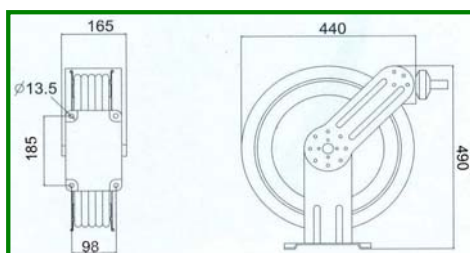

**SPT246**

## Air Hose Reel, Open Type

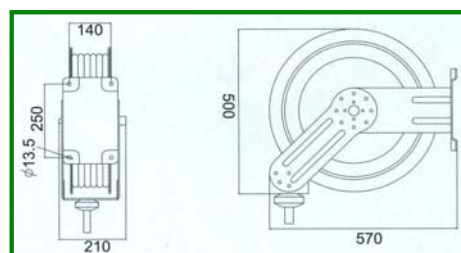

- For the heavy and designed for demanding applications, such as mobile lubrication plus
- Note vehicles or large equipment maintenance
- Hose stopper can be fixed in any position to make a satisfactory length for operation
- Arms designed to increase the strength for high load applications
- Closed durability spring, to protect the reel from climate
- Dual steel material reel with sealed bearings to ensure trouble-free operation

PT047410 PT047412

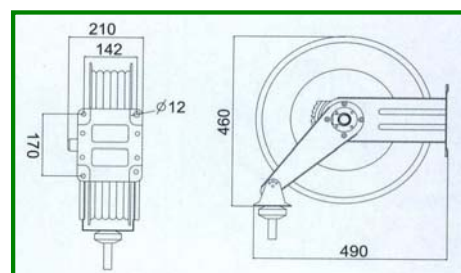

PT047420 PT047421 PT047425

- High-performance reel was heavy, high strength design of heavy-duty applications
- Hose stopper can be fixed in any position to make a satisfactory length for operation
- Arms designed to increase the strength for high load applications
- Adjustable double support installation arm, with stiffener, which provides a variety of installation location
