FOR YOUR INQUIRIES, PLEASE  
INDICATE MODEL NO., AND FOLLOWING  
CATALOGUE NUMBER

SPT247

## Air Hose Reel, Enclose Type

- Heavy-duty steel construction for long life in industrial and automotive applications
- Reel covered by corrosion resistant powder coating
- Hose stopper can be fixed in any position to make a satisfactory length for operation
- Positive latching mechanism-automatically locks hose at desired length
- A safety lock-prevents the hose from moving in either direction
- Designed for the standard load, such as small repair shop and repair shop
- Closed structure, increased security and seal, extended hose life
- High-quality finish to protect the reel from environmental erosion
- Can be installed on the walls, ceiling or floor, with 120° swivel bracket
