INDICATE MODEL NO., AND FOLLOWING
CATALOGUE NUMBER

SPT264

Auto Rewind Air Hose Reel Open Type

- Compact frame and narrow base for application with critical space requirement
- Heavy-duty steel construction with corrosion resistant powder coating
- L-shaped base with groove reinforcement ensures stable support
- Four direction non-snag rollers reduce hose wear abrasion
- Multi-position ratchet lock and easy tension adjustment
- Full flow swivel prevents leakage
- Guide arm adjustable for handling up to 9 positions permits wall, ceiling or floor mount

Keep your workplace organized and safe.
Spring-driven automatic rewind neatly coils hose
when not in use.
Hose can be used with air or water.
