Specification:

- ◆ Natural rubber / vinyl blast gloves
- ◆ Preforated steel flooring—abrasive large particle—separating screen and clean-out door
- ◆ Powder coated inside and out
- ◆ Extra-rugged, heavy-duty production foot valve assembly. Built to blast with heavy steel housing and high-production brass flow valve
- ◆ Air regulator / gauge panel
- ◆ 14 gauge steel legs (16 gauge panels)
- ◆ Eliminating typical suction pick-up tubes and hoses, media metering valve puts our economy
- ◆ Series blast cabinets in a entirely different class from the competition
- ◆ External fluorescent lighting system. Packed in wooden case
- ◆ Overall dimension: 135x90x170cm
- ◆ Work pressure range: 90~125PSI
