Woodworking Belt Disc Sander 4" Belt & 6" Disc

Model No. **TT- 863**

■ This new designed machine allows for a larger space and can be used for workpiece larger than the regular 4"x6" belt & disc sander.

■ This new machine 4"x6" is equipped with dust collecting outlets which are on two places. These dust collecting outlets can be fitted by vacuum cleaner. To ensure a stable and safety working, this new improvement tilting aluminum table can be well mounted for use on either the belt or disc sanding and no more slipping as its traditional model.

■ Handy adjustment designed to change and operate horizontal and vertical casily.
