

PRODUCT INFORMATION

24 Litre Air Compressor Electric Direct

HIGH QUALITY WITH COMPETITIVE PRICE !!

NEW !!!

MODEL NO. UM-4051

FEATURES:

1. Motor direct driving.
2. Integrated design is adopted for manufacturing of this compressor thus further enhancing the efficiency of the motor.
3. Fully automatic control system aims at operation convenience, safety and reliability.
4. Quiet without noise.
5. Suitable for performance of operation at home, indoor and outdoor.

Specifications :

| | | | |
|----------------------|-----------|--------------------|--------------------|
| ■ Air Tank | 24 Liter | ■ Overall Size | 580 x 280 x 570 mm |
| ■ Rated Power | 1.5KW/2HP | ■ Flow Rate | 226 L/min |
| ■ Voltage | 230V/50HZ | ■ Pressure | 115 PSI (8 BAR) |
| ■ Speed of Rotation | 2,850 RPM | ■ Machine Weight | 27 kgs |
| ■ Discharge Capacity | 194 L/min | ■ 1 x 20' FCL | 225 pcs |
| ■ No. of Cylinder | 1 | ■ 1 x 40' FCL (HQ) | 620 pcs |
