Pop-Out Ratchet Cargo Bar - Heavy Duty

- Cargo Bar can be quickly and securely installed to restrain loads at any point in trucks and trailers.
- Move handle to release position, inner tube will pop-out automatically.
Slightly move handle back and forth to adjust tightness.
- Ratchet design permits the cargo bar to be secured into position before the handle is locked.
- Locking mechanism prevents from cargo shift while driving, easy to release
- Ratchet device and steel tubing fit conventional aluminum tubing and rubber foot pads.
- Molded foot pads firmly to trailer walls yet won't scuff.
- Do not overtighten as you may damage truck walls.
